Dear Business Aviation Professional:

The Nation's Capital area, including Maryland and Virginia, comprises one of the most vibrant Business Aviation communities in the nation. In addition to the region's many flight departments, charter companies, FBOs, and service providers, local area airports handle tens of thousands of Business Aviation operations annually.

The Greater Washington Area Business Aviation Association (GWBAA) was formed to represent the business aviation interests in the greater Washington, D.C. area. GWBAA's focus includes: keeping its Members informed of issues affecting Business Aviation in the D.C. area; promoting safety; educating the general public and government officials; advocating the benefits of Business Aviation; and conducting business, informational and social events for its Members. We strongly encourage you to join this effort.

Business Aviation is thriving, but it also faces serious safety, access and security challenges. Your membership, support and involvement in the GWBAA will help meet those challenges at the "grass roots" level. And success at the "grass roots" level in the D.C. area could also pave the way for more successes across the country and internationally.

Membership in the Greater Washington Business Aviation Association is open to both individuals and organizations with dues structured at nominal levels. Please take a few moments to fill out the attached Membership application and send it back via postal mail, fax, or e-mail. Need more information about the GWBAA? Please contact us at info@gwbaa.com.

I look forward to having you as a GWBAA Member.

Sincerely,

Greg Kinsella
President
