GWBAA Hosts Its 15th Annual Golf Classic

On September 12th, GWBAA held its 2019 golf tournament. It was a record-breaking year with 112 golfers hitting the course. Golfers enjoyed a beautiful day at the 1757 Golf Course with 14 sponsors greeting them at holes as they teed off. Several sponsors - including Duncan Aviation, Global Jet Capital, and Mercury Aviation - played games with golfers for prizes and bragging rights. The day benefited both the Aero Club of Washington Foundation and the Corporate Angel Network, and the tournament raised \$2,500 and \$2,800 for each organizations respectively. The networking reception sponsored by Embraer at Matchbox in One Loudoun the previous evening was well attended with almost 80 attendees joining in the evening of good food and conversation before hitting the links.

The date for the 2020 GWBAA Golf Classic is being secured. The announcement and launch of the registration website will be in early October. Make sure to secure your spot for 2020.

If there is anything we can do to make the day more enjoyable, please let the GWBAA board know. Thank you for your support.

Thank you to our sponsors!

Regional News Round-Up

Residents of Bowie and Prince George's County expressed oppositions to a proposal to rezone **Freeway Airport** to allow it to be redeveloped for dense housing. The Rodenhauer family, who have owned and operated the airport since 1947, want to develop the parcel because the business has struggled during the past two decades.

Salisbury Regional Airport is exploring federal financing options that would allow it to extend its runway to 8,000 feet.

Richmond International Airport was one of the Virginia airports to receive a federal grant; the funds will be used to convert a lesser-used runway into a taxiway. Other airports receiving funds included **Manassas Regional Airport** (\$3.5 million for taxiway construction and other projects), **Warrenton-Fauquier Airport** (\$150,000 for runway and taxiway rehabilitation), and **Leesburg Executive Airport** (\$205,000 for apron construction).

In Maryland, **Salisbury-Ocean City Wicomico Regional Airport** has received a federal grant \$1.1 million for apron, taxiway, and lighting rehabilitation. In an interview with the *Salisbury Daily Times*, Airport Manager Dawn Veatch described plans for additional improvements, including the extension of municipal water to the airport.

On September 12, a Mooney M20J plane crashed into a car on Route 50 near **Freeway Airport**, shortly after take-off; the two aboard the aircraft and the two in the car were reported to have minor injuries. On September 17, a Socata Tampico crashed near **Tipton Airport**; the two aboard were reported to have minor injuries. As always, fly safely!
