## **GWBAA Open House & Aircraft Display Returns**

GWBAA is looking forward to the return of one of our most well-received events - the Open House & Aircraft Display - on Tuesday, September 28, 2021, at Leesburg Executive Airport (JYO) from 3:00PM-7:00 PM. ProJet Aviation is once again our host FBO.

Our inaugural event in 2019 was enjoyed by over three hundred attendees and this year promises to be even better with a new tented area overlooking the aircraft display which features at least 10 examples of new jet aircraft from the industry's premier aircraft manufacturers.

GWBAA is also excited to welcome National Business Aviation Association President and CEO Ed Bolen, where he will include an update on NBAA's advocacy work on behalf of the industry, and an update on the association's annual convention in Las Vegas, just weeks after the GWBAA gathering.

Please note, while this will be a free event for prospective and current members of GWBAA, advance registration is preferred. Please [register here](#).

As a great networking and industry event, GWBAA is please to offer several [sponsorship opportunities](#) for the Open House & Aircraft Display (and thanks to those who have already signed-on to sponsor).

Please contact Hunter Weiss, Event Chair with any questions you may have - [hunter@welschaviation.com](mailto:hunter@welschaviation.com) or (703) 787-8800.

The website for the September 16, 2021 event (<https://birdease.com/2021GWBAAGolf>) is open and accepting registration for golfers and sponsorships. It is not too early to grab that sponsorship and register your golfers.
