GWBAA Meets with Members at NBAA Convention

GWBAA Board members held a meet-up during the NBAA Business Aviation Convention & Exhibition ("BACE") in Las Vegas in mid-October. Alexis Wozney, Caleb Stitely, Jamie Wilson, Jol Silversmith, and Sarah Wolf met with GWBAA members and others interested in joining the association. It was a wonderful opportunity to network, discuss a variety of topics, and share ideas about GWBAA and the industry as a whole. There was a good cross-section of our industry represented from flight departments, aircraft management companies, technology companies, air ambulance services, the U.S. Military, and business aviation support companies. We were also excited that former GWBAA President, Bob Blouin, stopped by to visit. It was great to see him as always! GWBAA sends a big "Thank You" to NBAA for allowing us to use their booth for this event.

GWBAA Welcomes Two New Board Members

GWBAA is pleased to welcome two new members to its Board Members. Both are familiar names in the Greater Washington bizav community. Chris Younger is a Senior Counsel with Crowell & Moring in Washington DC. In this role, Chris advises business aviation clients on many facets of aircraft ownership, operations, tax planning, and regulatory compliance. Lisa Quinto's diverse experience has included roles in private jet sales, private jet charter, and currently as a Corporate Flight Attendant for various flight departments, as well as a Charter Sales Executive at the Private Jet Services Group. Both have immediately become involved with GWBAA as Lisa recently supported the Open House and Aircraft Display, and Chris will represent GWBAA at the Aviation Expo at ProJet Aviation in Leesburg on October 29. We welcome Chris and Lisa to the Board and look forward to them providing leadership and guidance to the association.

If you would like to become involved with GWBAA, please email info@gwbaa.com and jamie.wilson@fbopartners.com.

Holiday Party Deferred

After much discussion regarding whether or not to have a Holiday Party this year, the GWBAA Board has decided to be cautious due to Covid-19 concerns and look to next year to hopefully resume the tradition. We know that this is a disappointment, but perhaps expected since the party is exclusively an indoor event. In lieu of a Holiday Party this year, the GWBAA Board is looking at donating to Aviation-focused charities in the DC/MD/VA area during the Holiday Season.

Golf Sponsors Addendum

Due to an inadvertent oversight, one of the GWBAA Golf Classic sponsors was not identified in the last newsletter. We wish to acknowledge, and bring appropriate attention to all the sponsors of our golf event. We wish AEG Fuels well and May we enjoy our continuing relationship in the future.
